

# Tips & Tricks

## TO GET THE MOST FROM THE M-PACT 2017 MOBILE APP

**1. Download** the M-PACT Mobile app for free. Search for 'M-PACT' in the Apple App Store or on Google Play.

**2. Launch** the app and click 'M-PACT 2017' when prompted to 'Choose a Show to Load.'

**3. Tour** the app functionalities by clicking 'tour' in the bottom left of the home page. Or ...

**4. Start** using the app right away. Click 'start' in the bottom right of the home page.

**5. Personalize** your app schedule. Click 'MyPlanner' at the bottom of the landing page and use your e-mail address to create a unique profile.

**6. Plan** your M-PACT experience. Once you've set up a 'MyPlanner' account, click the 'Home' icon at the bottom of the page, then choose 'Schedule at a Glance' from the menu.

**7. Bookmark** the events you're interested in. Click the name of the event, then click the 'Bookmark' icon to save it to your customized 'MyPlanner' agenda.

**8. Discover** education presenters' bios, detailed course descriptions, exhibitors by name or booth and even the generous sponsors who help bring M-PACT to life.

**9. Explore** the exhibit hall map by clicking 'Floor Plan' at the bottom of the home page. Tired and hungry? Discover nearby hotels and restaurants from the home menu.

**10. Interact** with your app and with other M-PACT participants. Take notes during your education sessions and join the #MPACT2017 conversation through Twitter.

## 2017 BONUS TIP

M-PACT Mobile App users can access the interactive digital edition of the new & improved M-PACT Show Guide, where you can click on banner ads and exhibitor listings to connect directly to vendors' websites.
